Welcome to Wellspring!

Relationships are complicated, but do they have to be? Can a book as old as the Bible help relationships today? In our new series Modern Love, we're taking a look at Scripture's timeless and practical wisdom to help us find and preserve loving, God-honoring relationships in our twenty-first century world.

Love is the most amazing thing that we have and that we can experience in this world. However, what is love, how do we experience it, how do we show it, how do we share it? How can we be loved and love others in ways that are meaningful? These are the questions that we will try to answer during this series. We are thankful you are here and want you to know that you are loved!

If you are new, please feel free to ask questions, be yourself, get connected, and let us know if there is anything we can do to make your experience most memorable. Again, it is good to be with you in worship.
