### Welcome to Wellspring!

How do Christians grow? Many would respond with answers such as praying more, reading the Bible, going to church, being kind, serving others or loving unconditionally. It is easy to think that as we grow as Christians, we move on to "higher things" (whatever that means), when in fact we simply need to learn the beauty and depth of Jesus and all that he has done for us. Growing as a Christian is not about doing better, it is about believing better. Jesus said that our greatest "work" is to believe.

The season of Lent is a time within the church commemorating the 40 days Jesus spent fasting in the desert before beginning his public ministry. It is a time to allow our hearts to grow in trust, devotion, and godly affection, grounded in the Savior's love for us. It is 40 days for us to move step by step deeper into the waters of faith. We are not focusing on behavioral modification or some quick fix but on the beauty of growing in friendship with Jesus and the peace that comes from believing in him.

*"Grow in the grace and knowledge of our Lord and Savior Jesus Christ."* (2 Peter 3:18)

If you are new, please feel free to ask questions, be yourself, get connected, and let us know if there is anything we can do to make your experience most memorable. Again, it is good to be with you in worship.
