WELCOME TO WELLSPRING!

There are four characters in every story: The victim, the villain, the hero, and the guide. Three of these characters live inside us. If we play the victim, we're doomed to fail. If we play the villain, we will not create genuine bonds. But if we play the hero who listens to the Guide, our lives will flourish. The hard part is being self-aware enough to know which character we are playing.

The series *Hero on a Mission* will use movie clips and biblical stories to help us recognize the character we are currently playing and if it is helping us experience a life of meaning. We will break down the transformational, yet practical, ways we can live with motivation, passion, and productivity, as we follow Jesus, the guide of our life's story. You are a hero on a mission!

If you are new, please feel free to look around, ask questions, be yourself, and let us know if there is anything we can do to make your experience most memorable. Be sure to meet some of the great people here at Wellspring, and we look forward to *living well* alongside you.
