### Welcome to Wellspring!

Being a witness for Christ was never intended to be an obligation. It's much more than standing up on a stage and preaching to the masses; it's a way we honor and reflect the work God is doing in and through our lives. Living like Christ allows us to develop relationships with those around us and invites them to ask us why our lives look different—and how they can trust Jesus as their Savior as well.

As students begin a new school year, we consider what it means to be Christians and a witness to the love of Christ in our schools, our jobs, and our communities. We're looking forward to what God has in store this school year.

If you are new, please feel free to look around, ask questions, be yourself, and let us know if there is anything we can do to make your experience most memorable. Be sure to meet some of the great people here at Wellspring, and we look forward to *living well* alongside you.
