Welcome to Wellspring!

The Bible is much more than a book of stories and rules from the past. It's rich with a relevant message God has for us today. It reveals God's will and desires for humankind through many different genres – poetry, wisdom literature, Gospels, apocalyptic literature, letters, and more. For hundreds of years countless people have enjoyed its beauty and have been transformed by its relevance. During this series we will discover how to engage with the Bible like never before and how to apply it to our lives each and every day.

It's good to be with you in worship! We are a church where you can come as you are – where you don't have to have your whole life put together to be a part of the community. All are welcomed and everyone is a valuable part of the body of the church.

If you are new, please feel free to look around, ask questions, be yourself, and let us know if there is anything we can do to make your experience most memorable. Be sure to meet some of the great people here at Wellspring, and we look forward to *living well* alongside you.
