

Unit 1: Masterpiece

Faith Focus: God is creative.

We are God's accomplishment, created in Christ Jesus to do good things. (Ephesians 2:10)

SESSION 2

GROW IN FAITH

God Creates People—Genesis 1:26–2:4

In today's creation story things are not just good, they are supremely good! In this Bible story we hear God claiming how good they are through the process of creating. On the sixth day, God finally creates human beings in God's own image. Children might wonder if being created in the image of God means we look like God. And that could be. But you can also help the children look beyond physical appearance and think about how we each are a reflection of God. If God is the creator, then each of us has a piece of God's creativity. This means we get the important job of reflecting creativity and goodness to the world. Being human isn't always easy. But remember, God sees you as supremely good.

- Ask children what God might look like or how they are like God.
- Remind children that they are created by God.
- Share that God believes each of us is good.

ASK: What people are you grateful for? What do you love about how God created them?

Faith Focus—God Is Creative

Supplies: All-Ages Class Pack, crayons, scissors, glue, fabric, yarn, construction paper

Prepare Ahead: Display the Unit 1 Faith Focus Poster (Class Pack—pp. 2 & 23). Photocopy "God Created Me!" (Leader Guide—p. 22) for each child.

- Show children the Unit 1 Faith Focus Poster.

SAY: Our faith focus for today is "God is creative." God was creative in creating people, and that includes you!

- Give each child a copy of "God Created Me!"
- Give children time to use the assorted materials to decorate the body outline to look like a self-portrait.

Good People

Supplies: Activity Sheets, glue, scissors

Prepare Ahead: Tear out "Good People" (Session 2 Activity Sheet) for each child.

SAY: God made all people in the world. God was creative when making every person so they would all be different and still show God's goodness and love.

SAY: When God was creating everything that exists, including people, God called the creation "good."

ASK: How are you good?

- Help the children cut out the hearts on the page and glue one heart to each person in the picture. Invite the children to say the affirmation on the heart as they glue it to the picture.

ASK: What would you create? What do you want the world to look like?

FAITH CONNECTIONS

Read the Story

Supplies: CEB Bible storybook

- Invite the children to join you in a circle.

ASK: How do you think God created all the people in the world?

- Read the story of creation (Genesis 1:26–2:4) in a favorite CEB Bible storybook.

ASK: Why do you think God created people?

SAY: God called the people God created “good.” When God looks at each of you, God calls you “good” too!

Big Faith Video

Supplies: Big Faith DVD, TV, DVD player or streaming device

- Watch the Session 2 video on the Big Faith DVD or via your Amplify Media subscription.
- Share the questions on the screen with the children. You may also choose to add your own questions. Give children time to share their responses and ideas.

SAY: There are so many different kinds of people in the world. We have different skin colors and hair textures. We speak different languages and eat different foods and dress differently. We live in different places and celebrate different holidays. It is amazing that God was so creative to make all the people in the world.

ASK: How does it feel to know that God made each of us different and special?

Faith Response

Supplies: All-Ages Class Pack, paper, colored pencils or thin markers, scissors, tape

Prepare Ahead: Display the Unit 1 Faith Response Poster (Class Pack—pp. 11 & 14) and Unit 1 Bible Verse Poster (Class Pack—pp. 10 & 15) if you haven’t already.

- Invite children to wonder about the images on the posters.
- Encourage children to say the Bible verse with you.

SAY: God used God's imagination to dream up the most beautiful way to make humans, with many colors of skin and hair and eyes and many sounds to express their feelings. All of us were made by God with great care and creativity.

- Lay the Faith Response Poster on the floor or a table and invite the children to gather around it.

SAY: When God was creating people, God was very gentle. The Bible story tells us that God held the dust of the ground in God's hands, and breathed the breath of life into the human. That means that God is breathing with us, and with all humans, whenever we are breathing!

- Instruct children to help one another each trace a handprint on a piece of paper. If desired, have them decorate or write their names on their handprints.
- Help children cut out their handprints and tape them in the next section of the Faith Response Poster.

SAY: God created you, (*child's name*), and you are good!

Tip: If not all the children's handprints fit on the poster, tape them surrounding the poster or in another place in your space.

FUN WITH FAITH

God's Beautiful People

Supplies: posterboard or large construction paper, scissors, markers, crayons, glue, beads, sequins, other craft materials as desired

SAY: Look at all these materials we have. These may look like just a pile of craft materials, but we can create something beautiful from them. When God was creating people, God took a handful of dust from the ground and breathed life into it. God made something beautiful from something that didn't look like very much to begin with.

ASK: How can you create something with these materials that reminds all people how beautiful they are?

- Divide the children into small groups. Give each group a piece of posterboard or large construction paper.
- Invite the children to use the materials to make a sign that says "You are beautiful" or another affirming statement. Help children write their statement and encourage them to use the materials to decorate the poster.
- Let willing volunteers share their creations.

ASK: How did you use your creativity?

I Spy Something Beautiful

Supplies: a few small mirrors, posterboard or markerboard, markers

- Gather the children into a circle.

ASK: What do you see around you that is “very good”? What do you see that is beautiful? What do you see about each of us that is beautiful and good?

- Pass mirrors around the circle so each child gets a turn with one. As they look into a mirror, invite them to say, “I spy something beautiful ... ” and then name what they see (*me, my eyes, my smile, my hair, and so forth*).
- As the children share, record what they say on posterboard or a markerboard.

ASK: What did you see in the mirror that was beautiful and good?

God Creates Us to Be Unique—Psalm 139:1-18

This passage of Scripture can provide us with comfort and peace as we better understand how we are created and loved by God. We are also made of God's love. These poetic words tell the inner workings of our human creation and God's intricate role in our lives from the very beginning. The psalm also states that God made us with purpose and we are wonderful. God is embedded in everything we do, and it is important to remember our value even when there are hard times or we are scared. This is a psalm children can carry with them to always remember God's word and God's love.

- Encourage children to name ways they are loved by God.
- Explore ways children can share God's love with others.
- Remind the children God is always with them.
