We all have big hearts and want to live generous lives, but there is often a seemingly infinite gap between our intentions and our actions. We often think, "If we only had more resources we could give more." Maybe making a big difference has a lot to do with the little things. That is the idea behind our series *Small Things, Big Difference*.

Small Things, Big Difference is a commitment to making small, manageable, incremental acts of generosity and watching how the changes really add up. Intentional God-focused actions will make a big difference in your life and others. Small things in the hands of an almighty God can be used to change the world!

We are glad you have chosen to worship with us. If you are new, please feel free to ask questions, be yourself, get connected, and let us know if there is anything we can do to make your experience most memorable.
