Grace is the love and mercy given to us by God because God desires us to have it, not necessarily because of anything we have done to earn it. It's an attribute of God that is most evident in the new life given to the soul through the life, death, and resurrection of Jesus. Many people have a hard time fully embracing the unique and unparalleled message of the gospel in Jesus Christ. It's hard to believe that because of God's love and grace toward us, we can have eternal life and all sorts of blessings today through no effort or merit of our own. That seems too amazing to be true.

Truthfully, we've all experienced failures, bitterness, or setbacks. We carry unseen burdens that rob us of joy, keep us from praying, and even cause us to doubt God. Fortunately, God's grace is greater. Even when it doesn't make sense. Even when it doesn't feel fair. God's grace covers everything we've done. And the best way (perhaps the only real way) to understand it, is to experience it and then invite others to experience it as well.

During Lent, a 40-day season designed to deepen one's devotional approach to Easter, we will focus on God's amazing gift of grace...the relationship between grace and works, why grace doesn't mean you should keep sinning, how grace should impact your purpose in life, and how to live a life filled with grace.

We are glad you have chosen to worship with us. If you are new, please feel free to ask questions, be yourself, get connected, and let us know if there is anything we can do to make your experience most memorable.
