Good morning! Some would say they live life on purpose, but what exactly is that? Is it having fun? Is it making money? Is it building a family or a career? What is it? Would you say your life is driven by design or default? Are your actions and outcomes shaped by intentionality or according to the demands of your schedule and the expectations of others?

At Wellspring, we believe life has a purpose beyond our daily routines, and when we live on purpose, we experience the fullness of life. That is what the series Life on Purpose is all about. We'll explore what it means to live with intentionality and look at practical ways to live on purpose.

It's good to be with you! If you are new, please feel free to look around, ask questions, be yourself and let us know if there is anything we can do to make your experience most memorable. Nursery is available during our 9:00, 10:05, and 11:10 am worship services. Plus, there is adult, youth and children Sunday school during the 9:00 and 10:05 hours.
