Life is all about decision-making. Every day, countless times a day, we make decisions. Sometimes we are sure, sometimes we are not so sure, but in either case our decisions become a permanent part of our story. The more equipped we are to make better decisions means we'll have better outcomes and a more fruitful and impactful future.

While nobody plans to complicate their life with bad decisions, far too many people have no plan to make good decisions. We're hoping to change that through our *Better Decisions, Greater Impact: The Art of Decision Making* series. We'll consider five game-changing questions to ask every time you make a decision.

We're glad you are here! If you are new, please feel free to ask questions, be yourself, get connected, and let us know if there is anything we can do to make your experience most memorable.
